The News in Brief

GOOD SCOUTS—More than three million Boy Scouts of America and their adult leaders will observe their annual Boy Scout Week from February 7 to 13. And 157 million other Americans will unit in wishing this great youth organization continued progress and success. A principal activity of the week

will be to pay tribute to the volunteer leaders of the 89,000 local Scout councils for their contribution to the nation. What lies behind this organization depends on how much we as adults are willing to put into it. As more service can be accomplished. Here is an opportunity and a challenge.

EXCHANGE PARTY—The Albany Exchange Club will hold a Valentine's party Saturday evening, February 13, at the West of Sacramento Boys' Club, 2027 Seventh Avenue. Members, their wives and guests are invited to attend. Mrs. Louis Celia has announced that it will be a box lunch social, with dancing and entertainment.

SNOW TRIP—Members of Albany YMCA Hi-Y Clubs today recorded another eventful day of drills and spills in life snow after a seven-day snow trip last week. The trip was to Soda Springs. The trip of 40 boys and girls under supervision of Elmer Coble, club secretary, made the trip a chartered bus to the High Sierra where they found typical spring weather. The day was climaxed with a steak dinner at Rainier Lodge, prepared especially for group, and a movie in Sacramento en route home.

REGION WOMEN—The 25th president of the Albany Legion Auxiliary will hold a dinner tonight at the home of Mrs. Margaret H. Hahn, 844 Railroad Avenue. Dinner will be served followed by the initiation of Purcell into the group, under the direction of Laura Roderick and Betty Bradley.

Councilmen Prepare for Radio Debate

With exception of the actual date, final arrangements have been completed today for the long-awaited radio debate between Councilwoman Mrs. Kathie Zahn and Councilman Jerome Blank on the proposed civic center at Solano and Evelyn Aves.

Blank told his honorable opponent at the Monday night City Council meeting that Berkeley Radio Station KRE has agreed to set up the equipment any Thursday for a broadcast between 8:30 and 9 p.m.

In accepting the challenge, Mrs. Zahn stipulated, however, that the broadcast must originate from the radio station and not Cornell School Auditorium as suggested by Blank.

"I will not be heckled by your group," said Mrs. Zahn. "I will present the cold facts from the station only."

"I would like to know who these unknown hecklers are," Blank replied, adding, "I guess I made a mistake challenging her." He said he couldn't help but think that Mrs. Zahn was afraid of the real facts.

Mayor Lewis Howell suggested that the broadcast originate from the City Council chambers "where there is no heckling."

Mrs. Zahn replied that she was only interested in the original proposal.

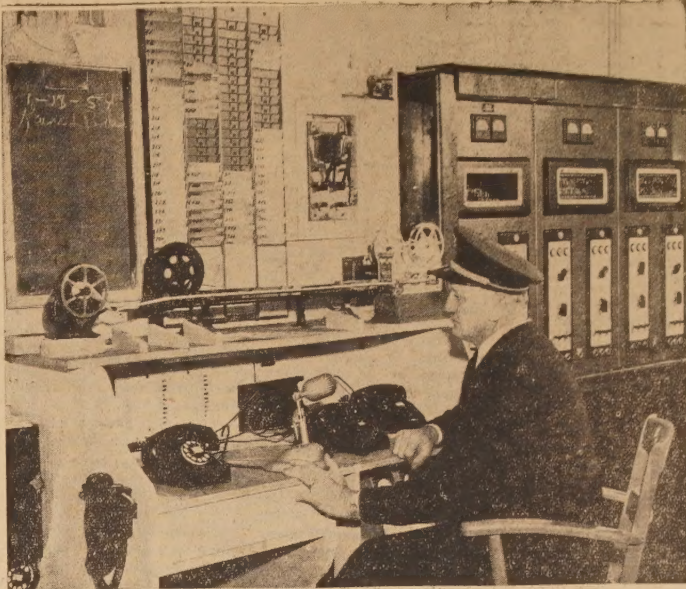

George Hoyt, chairman of the Planning Commission informed the Council that the fair combined market value of the Police and Fire Departments and the City Hall was \$45,000 on a cash basis. The request for the appraisal was made at the request of the Council.

In other business, the Council approved the appointment of Arthur K. Smith as probationary inspector in the Police Department at a starting salary of \$451 a month. The appointment was approved on the recommendation of Chief Stanley C. Williams.

Marin PTA to Hold Benefit Card Party

Members and friends of Marin PTA are invited to attend a benefit dessert Valentine card party to be held at the school auditorium February 9 from 1:30 to 4 p.m.

Various games will be played and there will be a prize for each table. Score cards are 30 cents and proceeds will be used for the Life Membership Fund in the California Congress of Parents and Teachers.

CAPT. LESTER VARNI inspects Albany Fire Department's new \$6000 four-circuit alarm board at his right and communication system at control desk. The new board, which will accommodate up to 120 fire alarm boxes, replaces the old board which has been in operation for the past 39 years. Firemen were operating 62 boxes off old board, although its capacity was supposed to be 30.

Fire Department Answered 264 Calls In 1953 (25 False); Fire Losses Down

Albany Firemen responded to 264 calls during 1953—60 more than the previous year—but loss of property due to fire dropped seven per cent.

Fire Chief Fred Pimental said today in a year-end report that fire losses totaled \$15,655 in 1953 as compared to \$23,008 in 1952. The total figure did not include a loss of \$38,000 in a fire last July at the Western Regional Research laboratory which is Federal property.

The Chief said that property endangered by fire last year totaled \$474,029 as compared to \$527,120 in 1952.

Largest amount of property loss was suffered in December when there was \$45,000 damages. The report showed the smallest loss was in August when only \$3.97 was listed.

Of the 264 calls made during 1953, heading the list was 25 false alarms. Other fire responses were 21 grass fires, 8 residence, 5 industrial, 4 mercantile, and 4 automobile.

Calls made other than fire included 20 inhalator cases, 7 lockouts, 4 smoke scares, and 13 miscellaneous.

Auxiliary to Hold Americanism Night

The American Legion Auxiliary will hold its annual "chum's dinner" starting at 6:30 p.m. Monday at the Veterans Memorial Building.

At this time members will reveal their secret chums with the exchanging of gifts, and new chums will be drawn for the coming year. The program will begin at 8:15 p.m., when Mrs. Williams, high school teacher, and her citizenship class will be presented.

The "Double Quartet" from Marin School, directed by Mrs. Mary Grindahl, will entertain with vocal selections.

Lois Purcell, Americanism chairman, is in charge of the program.

ALBANY DRUIDS, Circle 120 will hold a Valentine's party following its business meeting set for 8 p.m. Friday, February 12, in the Macabec Hall, 985 Kains Ave. Refreshments will be served under direction of Mrs. Besie Jacobsen.

Marching Mothers Collect \$2729 for Polio Campaign

Albany's marching mothers—a volunteer army of 220—walked door-to-door Tuesday night to collect \$2729.70 for the March of Dimes, \$484.25 short of last year's collection.

This marked the fourth successive year that mothers from PTAs and other groups interested in polio work have undertaken the one-night drive to boost contributions for work of the National Foundation for Infantile Paralysis.

Albany Couple to Celebrate 50th Anniversary

Mrs. and Mrs. Maurice R. Whitney of Camp Meeker on Russian River, former Albany residents for 16 years, will observe their 50th wedding anniversary at an open house here Sunday evening.

The celebration will be given at the home of a long-time friend and former neighbor, Mrs. William J. McNulty of 720 San Carlos Ave. Assisting the hostess will be the couple's two daughters, Mrs. K. O. Drexel of Concord and Mrs. T. R. Langford of San Lorenzo.

Mrs. and Mrs. Whitney were married on February 7, 1904, in San Rafael. He was employed at the Standard Oil Refinery in Richmond 31 years before retiring in 1947, when they moved from Albany to the Russian River resort.

Mrs. Whitney was born on December 21, 1877, at Alden, Iowa, and came to this area in 1902. His wife is a native of Santa Rosa and will observe her 70th birthday on September 17.

Both of the senior citizens take an active part in civic and social affairs at Camp Meeker. Each Thursday night is set aside for playing whist at the Women's Civic and Social Club, and Mr. Whitney devotes much of his leisure time serving as secretary for the volunteer fire department.

While residing in Albany, Mrs. Whitney was active in the Royal Neighbors of America and Pythian Sisters, Richmond Temple No. 86.

The Whitneys have two other daughters, Mrs. A. W. Maxwell of Ventura and Mrs. Delberta Werley of Denver. They have nine grandchildren ranging from 5 to 18 years of age.

E & M Store Holding Big Farewell Sale

The E & M Department Store at 1423-25 Solano Ave. today is featuring a "farewell forever" sale on a new shipment of children's and ladies' suits, dresses, coats and furnishings.

Manager Alfred I. Potter, who has lived in this area for the past 40 years, announced that through special factory connections the store has received a large shipment of new merchandise which is being sold at prices far below regular prices.

Potter, a former San Francisco manufacturer of ladies' apparel for 30 years, also operates Reg's at 1104 MacDonald Ave. in Richmond.

Directing the local participation in the state-wide march were Mrs. A. A. Radler and Mrs. Fred Woodward, both of Marin PTA.

Mrs. Radler said today that mothers from the Marin School area, with the largest area to cover, collected \$1025.70 of the total. Mothers from the Cornell School area, headed by Mrs. Joseph McConahy, reported a collection of \$500.02, followed by Mrs. Jack A. McGlotham's group in the MacGregor School area, who collected \$460.

Mothers volunteering their services from the Vista School area under direction of Mrs. C. H. Sauer, collected \$416.51, while Mrs. L. M. Navarro's Codornices PTA group reported a total of \$327.47.

"Although our total collection was slightly under last year's figure, just as much time and effort were given by the many mothers volunteering their services," said Mrs. Radler. The chairman extended her thanks to the mothers and other individuals who assisted in the drive and to the Albany Police Department and its officers who were on duty throughout the city to make sure the mania effort was carried out without incident.

Albany PTAs To Observe Founders' Day

In honor of the 57th birthday of the National Congress of Parents and Teachers, Albany's six PTA units will observe Founders' Day at a joint program to be held Thursday afternoon at Marin school auditorium.

The meeting will be called to order at 2 p.m. by Mrs. L. C. Duggan, president of Marin PTA, followed by the flag salute led by Girl Scout Troop 25 of Marin School.

The invocation will be given by the Rev. Douglas H. Henderson of Albany Community Church. Guests and principals will be introduced by Mrs. Leslie Stanley, Marin Founders' Day chairman, and presidents and past presidents will be presented by each of the unit chairmen.

A fashion show, "Down Memory Lane," will precede the awarding of 12 honorary Life Memberships. Unit chairmen assisting Mrs. Stanley are the Mesdames John Longaker, Albany High School; Percy Sexton, Codornices; Michael Silvester, Cornell; Milton Porter, MacGregor, and Robert Litolfi, Vista.

Albany High School today has graduated this group of seniors.

Here's our video laugh of the week... A woman milliner asked John Daly if she should remove her hat before facing the "What's My Line" panelists on America's most popular panel quiz show. "Please don't," begged John. "It's funnier than anything they've seen all day."

Biggest new decision on the TV scene is the experiment on the Lux Video Theater, changing this show to a full hour from its regular 30 minutes and imitating the radio version by adapting a major studio movie, "A Place in the Sun," with Jeanne Crain and Farley Grainger playing the leads. This marks the first time a top studio has offered one of its prize movies for a TV adaptation. Lux plans to switch to a regular hourly video stanza. When this becomes a weekly part of the TV scene, look for a new challenger to the rating favorites.

No one knows the behind-the-scenes reasons for Arthur Godfrey's parting of the ways with his cigarette sponsor... but new sponsors are beating a path to the Redhead's door. His shows still hold their place among the top ten each week, on both radio and television. Arthur has his trouble... but he keeps his audience.

If you're not "among the audience" for the top TV shows, either you haven't a TV set, or you're figuratively crawling into your present small-screen set in order to see. What you need is a large-screen Philco TV set. Philco TV sets are now on display at SKIPS RADIO & TELEVISION SERVICE, 1553 Solano Avenue, Albany, California. Phone LAnd. 5-4313.

happy washday to you
 ...with an automatic dryer!

And it is a happy washday—every time—when a wonderful automatic dryer comes into your life. Out the window goes the drudgery of lugging and hanging-up . . . of taking-in and weather threats. Just toss your wash in the dryer—set a dial, and make other plans for the rest of the day. In minutes, your wash is fluffy dry. Or, if you prefer, just damp enough for easy ironing. Automatic drying is easy on the budget, too, with low P. G. and E. rates for gas and electricity. See your appliance dealer today—and look forward to happy washdays from now on!

Age Isn't Everything!

either in a person or a home. For instance, we have a good solid 5 1/2 room stucco home on Ramona Avenue in Albany, for only \$11,500 with \$2500 down and monthly payments of \$121 including taxes, insurance and interest. To find a lot in a comparable fine neighborhood would cost \$4000, and to duplicate this amount of space in a new home would cost at least \$12,000 to build, a total of \$16,000. Now this isn't a \$16,000 home, but it is a good buy at \$11,500. Why not investigate?

Home and Old-Age

Security

Rental property with a good income is always fine security, especially in Central Berkeley with the constant University demand for housing. Here is a 4-unit conversion property, furnished, consisting of 2 spacious 2-room apartments, and 2 extra large 3-room apartments. Each apartment has private entrance, bathroom and kitchen. Laundry facilities also provided. This property will net you 12% on your investment, or provide a nice home and income to increment social security. Owner will take a small home in exchange, or possibly a deed of trust. This would also be a good investment for a young man with lots of ambition. Call for further pertinent details.

Albany Duplex

For stability of value, and constancy of rentals, it's hard to beat Albany, and this \$13,950 duplex brings in \$150 per month, and consists of one 5-room and one 3-room apartment, including 1 stove and automatic washer. \$2500 down handles, and part of the financing is G.I. with 4% interest. Information is yours for the asking.
